

University of Campania “Luigi Vanvitelli”

*Department of Architecture and Industrial Design*

Degree Course in Architecture

Degree Course in Building Sciences and Techniques

Teaching in Drawing of Architecture and city

*on 07.03.2024 time 14:30 - 16:30*

*Room P2 and Cloister of the Abbey of San Lorenzo ad Septimum*

# DRONE PHOTOGRAMMETRY FOR ARCHITECTURE AND THE CITY

*The seminar intends to provide the theoretical and practical basic information for the use of the drone. Through the activities of experimentation and flight plan programming, students will be given the opportunity to create images to be introduced into the software in order to develop point clouds and derive solid models.*

## **Introduction**

ORNELLA ZERLENGA

VINCENZO CIRILLO

LUIGI CORNIELLO

Professor S.S.D. Icar/17 (Drawing)

DADI, University of Campania “Luigi Vanvitelli”
