EVA RENZULLI (Histara-EPHE, Paris, France)

3/3. Reconsidering Palladio in the XX century: Architects and Art Historians

Eva Renzulli is an associate member of Histara, a research group affiliated with the EPHE (Ecole Pratique des Hautes Etudes) and PSL (Paris Science et Lettres). She works in the areas of Italian Renaissance Architecture and Art Historiography in the XXth century. The lecture will analyse the different ways in which art historians and architects of the XXth century studied and interpreted Palladio's architecture and his treatise the "Quattro libri dell'architettura".
